Specifications

Code	TA084/TA284/TA078/TA278
Sizes (cm)	Total height: 74 Width: 100 Length: 260 Free height table: 70
Description	Albert is a beautiful, robust dining table with a steel frame and oak table top. Available in different sizes, finishes, and with different frames.
Frame	Base in black or white powder coated steel
Maintenance	Clean with a mild solution of water and natural soap. The oiled table should be treated with a maintenance oil for wood floors 1 or 2 times a year to protect the wood against staining. For a detailed maintenance manual, click <a href="#">here</a> (oiled table) or <a href="#">here</a> (varnish).
Quality	top in solid wood / table top avaible in 1 piece or in 2 pieces
Finish	oiled or ultra matt water based varnish
