Description	The Wicked collection was designed by Brussels-based designer Alain Gilles. By creating an unexpectedly light and airy shape, Alain Gilles managed to shed new light onto the traditional wicker furniture. By combining the warm wicker material with the cold yet trendy aluminum frame, he aimed to create a discussion between craftwork on the one hand and industrial processes on the other. The collection consists of a lounge chair, a sofa, a coffee table and a side table. The combination of such bold, graphic lines and strong design can rarely be witnessed in outdoor furniture.
Upholstery	Polyethylene wicker
Frame	Powder coated aluminum frame
Maintenance	A quick wash with a non-foaming mild detergent every three months, will do the trick. A soft nylon brush or a low pressure air hose can also be used to clean between the weaving.
